COMPETITION PROVEN PRODUCTS

Lock-Up Bar

The ARISTOCRAT Lock-Up Bar has its own distinctive look. The styling is a matte finish on the contours a brushed finish on the flat surfaces. It comes with the extractor rod cut and mounting screws.

The Model LU-1 will add weight and stability to your Bull Barrel revolver and also the look and feel of Aristocrat Quality.

Model LU-1 (Blued Steel)

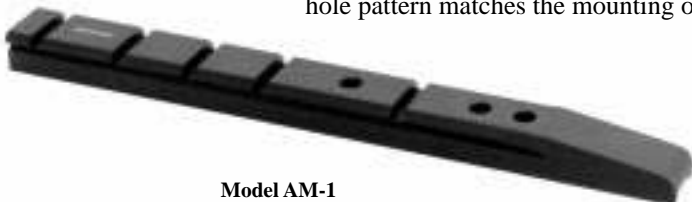

Model LU-1

Weaver Style Base

This anodized aircraft aluminum base will accept scopes and other devices designed to mount on a Weaver style base.

Designed to mount on a one inch bull barrel, the mounting hole pattern matches the mounting of our revolver ribs.

Model AM-1
